

Appendix E - iPad Home agreement Suggestions

ICT essential agreement for the home; compulsory clauses

The school requirements of the ICT home essential agreement can be merged with existing home structures already.

1. Any applications that need to be downloaded at home will be accompanied by a photocopied note from the classroom teacher.
2. Devices that have run below 50 percent need to be fully charged before the next day of schooling.
3. Devices must be used in a public space within the home (no bedrooms)
4. Devices must be stored in a place designated by parents when not in use.
5. My parent reserves the right to stop screen time at any time, regardless of school instruction. I am aware then that I have negatively impacted my relationship with my parents or my parents may discuss my use of technology with my teachers.
6. My ICT's may not be used on the way to and from school. They are to remain in my bag at all times unless in an emergency.
7. I may not use my ICT devices without parental consent at any time.

ICT essential agreement for the home; suggested clauses

8. Screen time at home is limited to 15 minutes per night after all chores, homework and jobs are complete.
9. Screen time is limited to Fridays after a successful week has been completed at school. This will be determined by my parents negotiating with my teacher and myself.
10. I will ensure that if the teacher requires me to access my ICT device for home study, I will write instruction down on what I need to access and approximately how long it will take. My teacher will sign off on these arrangements.
